02 ProvideequalperformancetoindividualPC

-UsesurplusCPUperformanceandallocateseparatemultimediadevices.
-Providesuperior2D/3Dgraphicperformance

03 Superiorstability&longdurability

-Windows applicationS/W
-Nocomputingdevice

04 Improvingsecurity&privacy

-Easytosecuredataandnetwork
-Allocateindividual datastoragelikeHDD,ODD,Stickmemory

05 Easyinstallanduse

-Easytoconnectzeroclientstation
-Oneclickinstallation andconfiguration

06 ProvideequalPCusageenvironment

-Multi IP,IndividualHDD,Finalusershutdownfunctionandetc

07 ECOtechnology

-Saveelectricity&space,Reduceelectronicwastes,heatandnoise

Applications

ZEUCOM can be applied for every site where PCs are required

-ICT class of schools, academies, libraries, public offices, enterprise.
-Business center of hotels, companies.
-Publicuser sue PC for almost same purpose.
-Limited Budget, Maintenance problems.

Benefit

-Maximize limited budget efficiency
- Improve maintenance and operation
- Prevent illegal S/W installation

-Use various and expensive S/W,
-Use internet/Intranet&ERP.
-Highly demanded Network&Data security.

Benefit

-Maximize expensive S/W efficiency
- Improve security
- Utilize office space efficiently.

- Design&Engineering companies construction/architect/mold/design companies.
-Extremely expensive CAD/CAM software.
-Expensive PCs/Workstations

Benefit

-Maximize expensive S/W efficiency
- Reduce the burdens of H/W&S/W cost.
- Utilize office space efficiently.

ZEUCOM is fully proven solution at enterprise, public offices, education field, many of engineering companies for many years.
