Directory Search

The screenshot shows a mobile application interface for a 'Directory Search'. At the top, there is a navigation bar with a back arrow and the text '< Home' on the left, and 'Directory Search' in the center. On the right side of the navigation bar, there is a red-bordered circle containing the text 'OK' and a close icon 'X'. Below the navigation bar, there are two input fields. The first field is labeled 'Name' and is empty. The second field is labeled 'Number' and contains the text '1001|'. A red-bordered box highlights the 'Number' field, and a red line connects it to a light blue text box that says 'To Directory Search, Enter name or number, Push OK button'. Another red-bordered box highlights the 'OK' button in the navigation bar, with a red line connecting it to the same light blue text box. Below the input fields is a standard QWERTY keyboard with various function keys like 'Aa', '123', and a globe icon.
